

# 24<sup>TH</sup> ANNUAL CONFERENCE

ALBUQUERQUE, N.M. • SEPTEMBER 23-27, 2017

ALBUQUERQUE CONVENTION CENTER

**JOIN US FOR ONE OF NORTH AMERICA'S LARGEST GATHERINGS** of wildlife professionals, educators, students, and influencers. As a sponsor, you add value to our attendees' experience at our conference, so **we've kept our rates low** to encourage your participation.

The Wildlife Society (TWS) encourages the advancement of wildlife professionals and students by providing learning, networking and engagement opportunities. We foster their development through our network of nearly 200 local chapters and student chapters across North America. TWS works to ensure that wildlife professionals use scientific research to sustain healthy wildlife populations and habitats for the benefit of generations to come.

Sponsors are typically businesses and organizations who desire tangible value and return on investment through engagement opportunities, brand recognition and visibility, marketing and advertising through multiple communications channels, free exhibit space and/or registrations, and invitations to a sponsor recognition event.

**This year we return to Albuquerque, New Mexico, home of the very first TWS Annual Conference in 1994. Our return to the Southwest provides added cultural and nostalgic value to this year's event, bringing your brand into contact with wildlifera from many walks of life. Sponsors will be showcased in promotional channels prior to the conference, in the conference program, at sponsored events during the conference, and at their booth in our high-traffic TWS Members Activity Center. An expected 1,800+ attendees will gather in Albuquerque to learn about your products and services, and thousands professionals more will be exposed through our promotion of the conference.**

*In Brand Recognition, Engagement and Visibility, Platinum Sponsors receive 175,000 exposures to their targeted audience. Gold Sponsors receive more than 150,000 exposures to their target audience. Silver Sponsors receive 100,000 exposures and Bronze Sponsors 5,000.*
